Stand up and start it

Lyrics: Walter F. Binder
Arrangement: Masquerade

Intro

Verse 1

Tigersnailes crawling in the sun
a little ant comes running along
search for their way across the place
and instinct is their kind of faith

Refrain

Stand up and start it
go straight on
stand up and start it
you can't go wrong
stand up and start it
dig a well
stand up and start it
be yourself

Verse 2

Girl, your lover left you all alone
Boy, your girl is gone forever gone
gotta find yourself somebody else
gotta keep moving like the snailes
