Goodnight L.A.

Lyrics: Terry Brocks
Arrangement: Strangeways (Original)

Verse 1

I’m standing here, all by my self
Livin’ dreams that could never come true
When I look out the window
I see her, but I’m thinkin’ of you
The man on T.V. looks by me
The Ladies do the same
I look to the Girl on the Billboard
Imagine her callin’ my name

Chorus

Ooohohoho
Where are you tonight
Goodnight L.A.
On Fire the Streets of Neon light
Goodnight L.A.
Where are you tonight
Goodnight L.A.
On Fire the Streets of Neon light

Verse 2

I’m a Dreamer, so People say
No use in tryin’, nothin’ happens anyway
You’re an Angel, only a memory
Of faded Magazine pages, no place I’d rather be
And the man on T.V. still looks by me
And the Ladies do the same
I look to the Girl on the Billboard
Imagine her callin’ my name

2x Chorus

Ooohohoho
Where are you tonight
Goodnight L.A.
On Fire the Streets of Neon light
Goodnight L.A.
Where are you tonight
Goodnight L.A.
On Fire the Streets of Neon light
